Little Patriots Embraced

Press Release

For Immediate Release: September 5, 2013

St. Louis-based Little Patriots Embraced Supports AUSA Annual Military Appreciation Day at Busch Stadium

The Association of the United States Army (AUSA) will hold their annual Military Appreciation Day at **Busch Stadium** on Saturday, September 7, 2013, and **Little Patriots Embraced (LPE)** will be in attendance. The purpose of the event is to show support and appreciation for our soldiers on behalf of the St. Louis Cardinals and the public.

This small token of food, beverages and camaraderie shows our soldiers that we recognize the sacrifices they make for every citizen of this country. The event is a tribute to those who stand for what we believe in and put their lives on the line to protect those beliefs.

The public is invited and encouraged to join in this appreciation for our troops.

Little Patriots Embraced (LPE) is a non-profit 501 (c)(3) charity based in St. Louis, MO. **LPE serves military families including the children of our active duty military**, as they face the emotional stress of deployment. The organization is an original home-front group member of the Department of Defense initiative *America Supports You*. Today you can find LPE listed under family support on the DOD Community Relations site:

LPE has served our military families during deployments and in times of family emergency for over nine years, placing a special focus on the children.

Media is invited to contact LPE to learn more about the organization and their effort to serve our military families. Visit the web site www.littlepatriotsembraced.org or contact Sarah Roberts at littlepatriotsembraced@gmail.com
