Little Patriots Embraced

Press Release

For Immediate Release: March 28, 2011

Ft. Leonard Wood welcomed St. Louis based charity to serve their military children Saturday, March 26th...

Little Patriots Embraced (LPE) is a nationwide non-profit 501 (c)(3) charity based in St. Louis, MO. **LPE serves families of our military** as they face the psychological and emotional stress of deployment. The organization is a Homefront Group member of the Department of Defense *America Supports You* program. LPE has served our military families during deployments and at the holidays for over six years.

LPE successfully launched Project Bear Essentials at Scott AFB January 29, 2011.

The Ft. Leonard Wood program was held March 26th in the Bruce C. Clark library. Each child in attendance received a LPE Teddy Bear along with the book "We Serve Too". This program is specifically intended for the children of the deployed military. The purpose is to allow them an outlet to express their feelings in a safe environment and for parents in attendance to be aware of stress related to their child.

To learn about how you can support this program for military children please contact LPE.

Media is invited to contact LPE. To learn more about the organization and their effort to serve our military families visit our web site or contact Nickie Hrabosky at **littlepatriotsembraced@yahoo.com**
