# Little Patriots Embraced

## Press Release

For Immediate Release: March 5, 2012

### **Whiteman AFB welcomed St. Louis based charity to serve their military children...**

**The Little Patriots Embraced (LPE) program** was held March 3<sup>rd</sup> in the **Whiteman AFB** library. The program was requested by Family Support officers and was a huge success! Every child in attendance received a LPE Teddy Bear along with the book "We Serve Too". This program is specifically intended for children of active duty military. The purpose is to give the children an outlet to express their feelings in a safe environment and to honor them for their bravery. It allows parents in attendance to be aware of any stress their child might be experiencing. Parents responded with highest marks through a LPE survey, and Whiteman has asked the charity to come back with this amazing program.

Requests to bring this program are coming from around the country. To learn about how you can support this program for military children please contact LPE.

**Little Patriots Embraced (LPE)** is a nationwide non-profit 501 (c)(3) charity based in St. Louis, MO. **LPE serves families of our military** as they face the psychological and emotional stress of deployment.
