May 29, 2007 – St. Louis Based Non-Profit Organization, Little Patriots Embraced, honors our Military at Jefferson Barracks

Michelle Williams, director of **Little Patriots Embraced**, along with volunteers from the organization, visited the graves of our military at Jefferson Barracks. Those who attended looked out across the rolling hills of white markers, and their hearts were touched by the scope of the sacrifice they saw, knowing that many families were affected by the loss of these great soldiers.

Little Patriots Embraced is a member of *America Supports You*, the US Pentagon's national program. The mission of Little Patriots Embraced is to reduce the emotional and psychological stress faced by the families of the deployed U.S. military serving throughout the world.

The goals of the organization are to deliver three specific programs that help support military family members. To learn more about these programs visit www.littlepatriotsembraced.org
