Press Release

For Immediate Release: July 2, 2012

Round - Up....launches in St. Louis to benefit Military Families...

Monday July 2nd Helen Fitzgerald's, Syberg's and Gianino's St. Louis area locations will lead the launch of ***Round -Up For Little Patriots Embraced***.

This project benefits locally based charity **Little Patriots Embraced**. This charity provides ongoing programs for military families, with a special focus on the children of those serving our country. Guiding this project is BWC Events, a company that specializes in unique event and project planning in St. Louis.

Little Patriots Embraced (LPE) is a non-profit 501 (c)(3) charity based in St. Louis, MO. **LPE serves military families including the children of our active duty military**, as they face the emotional stress of deployment. The organization is a home-front group member of the **Department of Defense** initiative *America Supports You*. Today you can find LPE listed under family support, on their **community relations site**. <http://www.ourmilitary.mil/resources/community-support-for-our-military/> LPE has served our military families during deployments and at the holidays for over seven years.

Media is invited to contact LPE to learn more about covering this event, and about LPE's effort to serve our military families.
