Little Patriots Embraced is a non-profit 501 (c) (3) designed to help families of the military as they face the psychological and emotional stress of deployment.

LPE's primary goals are:

- ✍ Provide financial assistance to military spouses seeking higher education in order to better support themselves and their families by offering tuition scholarships.
- ✍ Provide funding to military spouses for childcare while pursuing higher education.
- ✍ Assist families through emergency funding, which will include emergency transportation for healthcare and other emergency financial situations.
- ✍ Reduce emotional and psychological stress on military family members by providing a "family package" that contains products similar to products proven to reduce emotional and psychological stress.
- ✍ Plan and carryout events specifically for children of deployed soldiers such as teddy bear parties and bowling parties.
- ✍ As our organization grows, employ military spouses as Base Coordinators for the distribution of Little Patriots Embraced Family Packages.
- ✍ Unite citizens in thanking military families for their sacrifices by encouraging them to participate in community awareness events that will educate the public on the needs of military families.

Little Patriots Embraced has been accepted as a member of the Department of Defense's program, "**America Supports You**". It is an honor and a privilege to be a member of this program.
