**Near and Far Away...The hearts of our Military Families are touched by the efforts of a national, St. Louis MO based, non-profit this holiday season, with the help of Wal-Mart and Sam's Clubs....**

**Little Patriots Embraced (LPE)** is a nationwide non-profit 501 (c) (3) located in St. Louis MO and is a member of the US Pentagon's **America Supports You** program. LPE helps families of the military as they face the psychological and emotional stress of deployment. The volunteer organization is touching not only the hearts, but the daily lives of military families this holiday through their "Adopt a Military Family" program, designed by Little Patriots Embraced, and carried out by volunteers of the organization. Military family members with receive gifts from their own holiday wish lists this holiday, as well as food and other financial support. Wal-Mart and Sam's stores are sponsors for this special program. The organizations programs are twelve months a year, not just at the holiday season. To learn more about the programs, to help, or to become involved as a volunteer with our organization please contact us.

LPE's primary goals are:

- Unite American citizens in thanking military families for their sacrifices
- Provide financial assistance, in the form of tuition scholarships, to military spouses seeking higher education in order to better support themselves and their families
- Provide funding to military spouses for childcare while pursuing higher education
- Assist families through emergency funding, which will include emergency transportation for healthcare and other emergency financial situations
- Reduce emotional and psychological stress on military family members by providing a "family package" that contains products similar to products proven to reduce emotional and psychological stress
- Plan and carryout events specifically for children of deployed soldiers, such as teddy bear parties and bowling parties on and off base
- As our organization grows, employ military spouses as Base Coordinators for the distribution of Little Patriots Embraced Family Packages
