Little Patriots Embraced

Press Release

December 12, 2007

For Immediate Release:

Local Military Family Benefits from the efforts of a National St. Louis, MO based non-profit this Holiday Season....

Little Patriots Embraced (LPE) is a nationwide non-profit 501 (c) (3) located in St. Louis MO and is a member of the US Pentagon's *America Supports You* program. LPE helps families of the military as they face the psychological and emotional stress of deployment. This volunteer organization is adopting several families this holiday, including one in Lincoln, NE. The family members will receive gifts from their own holiday wish lists, as well as food and other financial support, where possible, through the "Adopt a Military Family" program designed by Little Patriots Embraced, and carried out by volunteers of the organization. Wal-Mart Lincoln, NE is one of the local sponsors for this holiday program. To learn more about this program, to help or become involved with our organization please contact us.

LPE's primary goals are:

- Unite American citizens in thanking military families for their sacrifices
- Provide financial assistance, in the form of tuition scholarships, to military spouses seeking higher education in order to better support themselves and their families
- Provide funding to military spouses for childcare while pursuing higher education
- Assist families through emergency funding, which will include emergency transportation for healthcare and other emergency financial situations
- Reduce emotional and psychological stress on military family members by providing a "family package" that contains products similar to products proven to reduce emotional and psychological stress
- Plan and carryout events specifically for children of deployed soldiers, such as teddy bear parties and bowling parties on and off base
- As our organization grows, employ military spouses as Base Coordinators for the distribution of Little Patriots Embraced Family Packages

The media is invited to participate in covering this live LPE Adoption, now scheduled for Wednesday December 12th, 2007 in Lincoln, NE. LPE will make delivery of gifts for this young mother and her three children, and their loved one serving our country. Interviews with family will be allowed. Please contact LPE directly to arrange coverage of this exclusive event.

LPE is seeking corporate sponsors who are as passionate about supporting our American troops and their families as they are. For more information, please visit our website at
