Little Patriots Embraced

Press Release

For Immediate Release: December 17, 2009

Heartland Bank, Toys for Tots, and Women's Connection Network of St. Louis partnered with local charity to support military children at the holidays...

Little Patriots Embraced (LPE) is a nationwide non-profit 501 (c)(3) based in St. Louis, MO. LPE helps families of the military as they face the psychological and emotional stress of deployment. The organization is a member of the Department of Defense *America Supports You* program. The organization has served our military families for over five years.

Little Patriots Embraced (LPE) had a very successful toy drive with the assistance of **Heartland Bank, Toys for Tots** and the **Women's Connection Network of St. Louis**. This week **LPE** delivered hundreds of toys to military children here in the St. Louis area and across the country. St. Louis based volunteers made a special delivery today to **Scott Air Force Base** in IL and provided toys for Santa's scheduled visit December 20th!

Thanks go out to Heartland Bank, Toys for Tots, Women's Connection Network of St. Louis, individuals and corporations who made donations this year.

Media is invited to contact LPE about this event.

To learn more about the organization and their effort to serve our military families contact **Kristen Haverstick at 314-567-5777**. LPE is actively looking for additional volunteers in the St. Louis area.
